RE-ELECT DANIEL RAMOS

ADELANTO CITY COUNCIL

CANDIDATE STATEMENT

RE-ELECT DANIEL RAMOS 2024

As Mayor Pro Tem of Adelanto, continuing to attract high-paying jobs to our city is crucial for sustainable growth. By promoting more economic development, we can create new opportunities for our residents and strengthen our local economy.

As a Navy Veteran, I will continue to prioritize public safety and support our law enforcement agencies and first responders for a safer Adelanto.

Improving our infrastructure is essential for our future. I will continue to be a strong voice for Adelanto in organizations that can help fix our roads, enhance public transportation, and add to the four linear miles of roads that were repaved during my term.

As a member of the Energy & Environment Committee, I'm dedicated to creating more parks for our residents in addition to the two that are currently under design.

Education equals a brighter future. I will continue to work with our educational partners so that every child in Adelanto has access to higher education. Which is why I created the Cannabis Scholarship as a pathway to higher learning.

Together, we can build a better Adelanto. Vote for more progress, and a brighter future for our city. I respectfully request your vote on November 5th 2024.

BOARDS & COMMITTEES:

- ▶ San Bernardino County Transportation Authority - Board Member
- ▶ League of California Cities - Revenue & Taxation Committee Member
- ▶ Southern California Association of Government - Energy & Environment Committee Member
